Christian Academy of Guatemala School Profile 2022-2023

Description:	Christian Academy of Guatemala is an independent, non-profit, non-denominational, college preparatory institution offering a biblically-based, rigorous, academic program modeled after the best educational practices and methodologies of the United States. It is founded on the principles of coeducational, bi-cultural (Guatemala/United States) teaching practices. Respect for political, social, and ethnic diversity is a fundamental part of the school's identity.
Organization:	The school was founded in 1974 by several missionary families to serve evangelical English-speaking missionaries with the educational needs of their children. The school now consists of two-thirds missionary and one-third non-missionary families. There are three sections: Elementary (Pre-Kindergarten–grade 5), Middle (grades 6–8), and High school (grades 9–12). The Director is the head of school.
Mission:	Christian Academy of Guatemala exists to support the missionary community in Guatemala by providing a biblically-based, quality English education to prepare lives for Christian service.
Vision:	Students at Christian Academy of Guatemala will be grounded in God's Word and challenged to achieve academic excellence as they prepare to use their gifts and abilities effectively to follow God's plan for their lives.
Core Values:	Centered in Christ Teaching the Truth Striving for Excellence Leading Through Service Partnering with Parents
